OFFICE OF

THE TOMBSTONE MILL AND MINING COMPANY,

220 SOUTH FOURTH STREET,

GEORGE BURNHAM, PRESIDENT.
W. J. CHEYNEY, GENERAL MANAGER.
I. W. McELWEE, ASST. TREAS. & SEC.

Philadelphia, 3/28 1892

My dear Sam.

I am just in receipt of y/s of 21st and have rele'd you that I have already cabled you at Palace, S. F. & will mail thence again. I have sent no check and will pay off. here. You will find my letter of 25th awaiting you & this will probably beat S. F. soon after y/s arrives. I assume that you are correct regarding Judge G's plan and that your B. meeting has been held at Mohawk - a nicer place than Johnstown. What a beautiful "Mohawk Park" could be made of that surrounding region containing those magnificent Pines on the long level stretch. I have not had the time yet to take up the full statements of Jamison matters, you sent me, but I feel quite master of the situation with them and am much obliged to you for them.

I have not yet letters by me, for particulars, but I sh'd be glad to have the particulars of the plan you mentioned for arranging with the pooled interests in Jamison. Safety

Wm Sam W. Cheyney - Palace -
